

Township of Belleville **Halloween 2020 Celebration Safety** **Guidelines**

For Trick or Treaters

- Stay within your immediate family
- Practice social distancing from other groups
- Wear a proper face mask (Halloween mask is not proper protection)
- Regular hand washing/sanitizing
- Trick or treat within your neighborhood
- No candy should be consumed until you are home, and your hands are thoroughly washed

Do not trick or treat if you or anyone in your household is not feeling well or is under quarantine.

For Candy Givers

- Wear a face mask while giving out candy
- Candy should only be given out in factory sealed bags
- Frequently wash or sanitize hands between trick or treaters
- Do not allow trick or treaters to reach into candy bowl

You should not hand out candy if you or anyone in your household is not feeling well or is under quarantine.
