Who is Vanessa Guillén?

Specialist Vanessa Guillén was a 20 year old soldier stationed at Ft. Hood in Killeen, TX. Vanessa shared with her family that she was being sexually harassed by superiors.

On April 22, 2020, Vanessa went missing from her post and was found buried along the Leon River after being murdered by a fellow soldier.

Vanessa's death catalyzed a movement of survivors demanding justice for Vanessa and change for all survivors to put an end to the military's epidemic of sexual assault, harassment, and violence.
