My child has recently been examined by a physician and, to the best of my knowledge, is physically fit to participate in PEANUT LEAGUE BASEBALL. I give permission to my child to participate, understanding that there exists a risk of injury in any physical activity. I further agree to hold harmless the Belleville Recreation Department, the Township of Belleville, and all Recreation Department employees and volunteers from any liability in connection with any injury arising as a result of my child's participation. I likewise release from responsibility any person transporting my child to or from the activities. Fun, fair play and sportsmanship will be stressed. Participation and learning are the primary objectives, not winning.

Please be advised: STATE LAW - Bill A446 allows officials to banish misbehaving adults from future games until they take a course in anger management...and, Bill A440 calls for a charge of aggravated assault for physical attacks during a youth sporting competition.
