BELLEVILLE POLICE DEPARTMENT

Blue Star Program Participant Waiver

This waiver must be read and signed by the Belleville Police Department Blue Star program applicant, and must accompany the Blue Star Program application and the applicant's key.

This waiver is authorized by _____, a Belleville resident who lives at _____. I understand that reading and signing this waiver is a requirement for participation in the Blue Star Program.

I have applied for the Belleville Police Department's Blue Star Program, and have provided the Department with a key to my residence. I hereby authorize members of the Belleville Police Department to utilize the key to my home to gain entry in case of a true emergency, and/or when there is reasonable cause to believe that my health, safety, or welfare has been compromised and that I may be physically unable to call for assistance or admit emergency service personnel to my home. If necessary, police officers gaining entry using this key may summons and admit to my home additional emergency services personnel, including the Fire Department, First Aid Squad, and/or Advanced Life Support Paramedics for the purposes of protecting and treating me in an emergency.

In authorizing Belleville Police, Fire, and Emergency Medical personnel to use the key to gain entry to my home to ascertain my welfare and/or assist me during an emergency, I indemnify and hold harmless all members of the Belleville Police and Fire Department and/or any additional emergency or medical personnel summoned to assist me, from any and all liability, personal and property-wise, arising from such entry.

I understand that the Belleville Police Department shall store the key provided by me with the utmost security and care, and shall ensure that it is accessible only to essential supervisory personnel and any police officer responding to my home on a request for assistance (in which I cannot physically allow entry), OR in cases where the Belleville Police Department receives information sufficient to enter my home to ascertain my health, safety, and well-being.
