Home Security Surveys

Feeling Secure

The Belleville Police Department wants residents to feel as secure as possible in their homes. As a service to the residents of Belleville, members of the Community Policing Unit will provide an on-site visit to your home and conduct a crime prevention survey at your request.

Ongoing Efforts

This service is provided at no charge as part of the ongoing crime prevention efforts in the Township. The Officers will discuss topics such as exterior doors, lighting and landscaping, engraving or photographing of valuables for future identification and will advise you of the steps you can take to decrease the likelihood that your home is targeted.

Make an Appointment

If you would like more information or to set up an appointment for an Officer to visit your home, please call the Community Policing Unit at **973-450-3348** or email us at aabate@bellevillenj.org using the subject line "REQUEST SECURITY SURVEY."
