**RECOGNIZING GREAT KIDS**

The Belleville Police Community Relations Unit is proud to present a new program designed to award our youth with a refreshing **FREE** Slurpee from our local 7-11 located at **216 Belleville Avenue**. While our officers are on their daily routine patrols, they will be looking for good deeds and acts of kindness performed by children within our community, at which time they will recognize and acknowledge the act and award the child with a **FREE** Slurpee coupon redeemable at 7-11. Some ways to earn a coupon can include riding your bicycle with a helmet, crossing the road at a marked crosswalk, holding a door open, doing yard work and helping a neighbor. This is a great opportunity for our officers to encourage our children to better themselves and do something nice for others!
