

Belleville Police Department Tours

The Belleville Police Department welcomes scouts and similar organizations to tour the department. Each group will be briefed on the responsibilities of the police facility, its personnel and its assigned equipment. The tour will be tailored to the age of children taking the tour. Children are taught the importance of good choices and child safety.

The tour takes approximately 45 minutes and is both fun and educational. At the end of the tour, each child is given a certificate and badge and is sworn in as an honorary police officer for the day.

Tours are by appointment only and must be made in advance. For more information or to schedule a tour, call Sgt. Anthony Abate at 973-450-3348 or email Aabate@bellevillenj.org.
