OFFICE OF: PUBLIC WORKS DEPARTMENT

Dear Belleville Water Department Customer:

The Belleville Water Department is required, as a purchaser of treated water from the Newark Water Department, to provide notice to our customers that Newark violated a drinking water requirement. Although at this time this is not an emergency, as our customers, you have a right to know what happened, what you should do, and what the Newark Water Department did to correct this situation.

Please read the attached public notice from the Newark Water Department entitled “Newark Water Department Had High Turbidity and Did Not Meet Treatment Requirements in the Pequannock Service Area”.

For more information contact the Belleville Water Department at 973-450-3414, or, at 152 Washington Avenue, Belleville, NJ 07109.

Please share this information with all the other people who drink water provided by the Belleville Water Department, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

This notice is being sent to you by the Belleville Water Department. PWSID#: NJ0701001.

Date distributed: November 9, 2020.
